We are an insurance intermediary that is acting on your behalf when delivering our services to you.

You should use the information provided within this document to decide if our services are right for you.

WHAT SERVICES WILL WE OFFER?

We will make a personal recommendation after we have assessed your needs and circumstances. We offer products based on a fair and personal analysis for all types of non-investment insurance contracts.

CAPTURING YOUR NEEDS

We are committed to providing you with a service that meets with your individual needs. To enable us to achieve this objective it is important that you are open and frank with us and provide us with all of the necessary information that we will need to deliver a service that reflects your needs e.g. any existing mortgages or other loans you may have. This will enable us to identify products and services that best meet with your personal circumstances. It will also help us to identify any specific needs regarding the methods by which we deliver our services to you. This may include additional ways of communication to those that we usually use as set out in the section of this agreement entitled **Means of communication**.

Further information on how we collect and use your personal data is set out in the separate Data Privacy Notice that we have issued to you.

WHAT WILL YOU HAVE TO PAY US FOR OUR SERVICES?

You will pay for our services on the basis of:

We arrange the policy with the insurer on your behalf. You do not pay us a fee for doing this. We receive commission from the insurer which is a percentage of the premium you pay to the insurer.

If after providing advice and the application has been submitted to the insurer, cover accepted and then you decide to withdraw/not proceed with the policy, we may charge you a fee of £350 to cover some of the costs we have incurred completing the process.

If you cancel any insurance contract that we have arranged for you where we have been paid by commission, we will charge you a fee to pay for the services that have already been provided to you. This amount will be to replace any commission reclaimed by the Insurer. There will be no fee charged for any insurance contracts cancelled during the statutory cooling off period of any plans arranged for you.

You will receive a quotation that will tell you about any other fees relating to a particular insurance contract.

CONFLICTS OF INTEREST

Occasions may arise where the firm, an employee, or other associates of the firm has competing professional or personal interests which may prevent these services being provided to clients in an independent or impartial manner.

We will take all appropriate steps to prevent conflicts of interests from occurring in line with the firm's conflicts of interest policy. However, there may be occasions where a conflict of interest cannot be prevented. Where this is the case, we will disclose to you the nature of the conflict and the steps that we will take to mitigate the risks that you will be treated unfairly as a result of any conflicts identified.

We will make you aware of any conflicts of interest before the provision of services to enable you to choose whether you still wish to proceed with services. A copy of the firm's conflict of interest policy is available on request.

We may on occasion receive minor non-monetary benefits from third parties such as product providers e.g. food and drink provided at a provider training event. Where relevant, any minor non-monetary benefits received will not conflict with our duty to act in your best interests.
